Notice Concerning Acquisition of “Green Star” designation in GRESB Real Estate Assessment

Japan Logistics Fund, Inc. (hereinafter referred to as “JLF”) hereby announces that it has received a “Green Star” designation in the 2018 Global Real Estate Sustainability Benchmark (hereinafter referred to as “GRESB”) Real Estate Assessment.

1. GRESB Assessment

GRESB is an annual benchmark established primarily by major European pension funds groups leading the Principles for Responsible Investment (PRI) in 2009 which measures environmental, social, and governance (“ESG”) consideration for real assets including real estate portfolio and infrastructure etc. As of now, approximately over 75 companies of investor members (total assets under management of approx. 1,980trillion yen [USD18trillion assuming USD1 = JPY110]) have joined and used GRESB Assessment data to select and dialogue with investment targets.

Please refer to the GRESB’s website for more details (<http://gresb.com/>).

2. Assessment Result

JLF has received a "Green Star" designation since it is highly evaluated in both dimensions of "Management & Policy" and "Implementation & Measurement" with regards to activities for environmental and social consideration and sustainability.

3. Future Measures

JLF will be conscious of fulfilling its social responsibilities such as consciousness to environment and contribution to society, and continue to implement sustainability practices, such as environmental and energy-saving measurement concerning owned logistics properties.
